## SAFETY AND SECURITY

### SAFE AND SECURE WEBSITE

We give prime importance to safety and security of our registered members. Soyrikpune.com follows strict confidentiality measures to safeguard the privacy of our registered members. Our team is always conducts rigorous checks to ensure that only genuine profiles are activated on the website. The information uploaded on website is screened by our team. Soyrikpune.com will not pass your data to any other party unless mutual agreement between Chitpavan Mitra Association and the concerned organization.

The payment gateway is having SSL-encryption, to ensure that your payment is safely reached to us.

The marriage is a lifetime commitment and hence one should be very careful before taking final decision. As a registered member of our website the complete control of your profile is given to you to avail best services.

Please find below some tips to ensure the safe and secure usage.

### SAFETY

1. Please do not give your personal contact details to unknown person. Take sufficient time to know more about your potential partner and when you are comfortable about him/her go ahead.
2. Communication with anybody should be very clear and there should not be any misunderstanding.
3. You may setup an exclusive email account for this activity so that the prime importance can be given to this activity. One more advantage is that it will not mix-up the emails of your daily routine.
4. If you are uncomfortable with anybody stop contacting him/her immediately.
5. Please inform us if anybody is misusing the website services so that we can take the strict action against them.
6. Please inform Soyrik as soon as your marriage is fixed so that you will not receive unnecessary communication. This will also save other people time.

## SECURITY

1. Decide the venue for meeting at busy public place that is known to both; keep your mood neutral.
2. Follow the normal dress code
3. Go to the meeting place on your own do not ask other person to pick you up your place or do not ask for travel arrangements.
4. Inform your relatives or trustworthy friend about your meeting details and give him/her following details,
  - a) Meeting place
  - b) Meeting time
  - c) The approximate time when you are returning back.
  - d) The contact details and address of the meeting person.
  - e) Call in between to the relatives or friend and inform him/her that the things are going as decided.
5. If anybody is accompanying with you he/she should be trustworthy.
6. Keep in mind that when you meeting face to face first time, the person you are meeting can be stranger, confirm his/her identity before proceeding for meeting.
7. Do not accept lift for coming back after meeting. If something unexpected happens keep contingency plan ready to come back safely.
8. If you find any suspicious things leave the place quickly and safely.
9. Take you mobile phone with you. Make sure that the mobile fully charged and working. Avoid the unexpected calls during the meeting.
10. If the person you are meeting impressed you; take more time to take final decision. Understand each other in details and when you are confident take final decision.
